Climate Skills & Community Building Fellowship

March - July 2024

For International Students & Newcomer Youth in
Downtown Toronto (ages 18 - 30)

Highlights: What is the Program?

1. **Learning:** An open online course that will explore alternative systems of operations for an eco-friendly society
2. **Skills:** Includes important themes that will help you build your climate knowledge and skills
3. **Community:** Includes online and in-person study groups in the form of climate cafés, where participants can connect and talk about their experiences with climate & beyond
4. **Commitment:** Requires a 2-hour per week commitment from participants (March - June)
5. **Action:** Participants create their own climate action project at the end of the program (July)

Timeline of the Program

Phase 1 (Learning): March - June (3 weeks per module)

- Module 1 (Framing the Climate Journey)
- Module 2 (Stewarding Land & Resources For the Commons)
- Module 5 (Precarious Livelihoods)
- Module 7 (Democratizing Money)
- Module 8 (Synthesis)

Phase 2 (Action): July

- Final in-person study groups & climate cafés
- Climate action projects development & implementation
- Community-building trips
- Workshops

Why Participate?

- Gain all the **necessary climate skills & knowledge** you need to build emotional resilience to face the challenges posed by the climate crisis in Canada
- **Enhance your resume** with climate-specific knowledge & climate action project
- Meet new people & be a **part of the community** that cares
- Gain an opportunity to **network** with Canadian professional speakers, dialogue facilitators, BTD team, and partners
- Your chance to take **climate action** and contribute to local climate initiatives
