## The HUB is a project of the Small Change Fund

*Funding for the HUB is entirely provided by Canadian philanthropic foundations. The HUB is formally a project of the Small Change Fund, an Ontario-based charity organization. The HUB is run by its Directors and their larger team, in*

*constant consultation with the climate justice organizers we seek to serve. The HUB also maintains relationships with Vision Team Advisors, that bring perspectives from different parts of the movement ecosystem and help the HUB show up in the best way possible.*
